

# HELLO, SPONSOR!

We're delighted to announce that Flawless Hacks is back for our third fabulous year!

Flawless Hacks is a one-day hackathon for women in the New York area. Our mission is to bring women who are interested in tech to a supportive space to work on projects and grow their technical network. In our two-year run, we have introduced 200+ women to their first ever hackathon, and hundreds more to a fun and flawless day of projects. If you'd like to find out more, please see our [website](#).

This year's event will be held in downtown New York City on **Saturday, April 7th, 2018**.
